Step One
Go to Myfau.fau.edu. Log in using the MyFAU box, or click “forgot ID/password” or “Activate account.”

Step Two
Log into MyFAU using your FAUNet ID and password. Click “Log in.”
**Step Four**

Authenticate with your chosen DUO method.

*OIT Help Article on DUO Two Factor Authentication:*

---

**Step Five**

Once signed in, click the Outlook icon.
Congratulations! You now have access to your FAU email.

Unfortunately FAU no longer supports external email forwarding options to personal/work emails. Users can access their Outlook by browser or phone app.

The Microsoft Outlook app offers an instant way to get notifications from incoming emails without the forwarding option.
