### Creating a Search Strategy

1. Define your topic in a phrase or sentence.

2. Circle or **highlight** the **keywords** in your sentence.

*Add synonyms for each key word*

3. Select Databases to use: <http://www.fau.edu/library/ecollect/ecollect.php>

*Add key words from each database*

4. List the assignment requirements (due date, types of sources needed, years to limit, etc.).

Try some searches! **Useful Links:** FAU Libraries home page: <http://www.fau.edu/library>
